## Other Stuff

### Election Committee:

We need your help. The election is 5 months away but we have no non board members that are on the committee. We can't have an election unless we get some volunteers to help manage the election process. If you can spare some time please contact Gerry Henderson at [ghenderson@veramark.com](mailto:ghenderson@veramark.com)

### Stickers:

The Treasure Island Car and Golf cart stickers are available. Please stop at the community building during business hours to pick up your stickers. Placing these on your vehicles helps ensure easy community owner identification.

### CenterPoint Energy

had a busy summer season in Treasure Island. Many owners, including the Treasure Island Community Building, experienced what is known as a "dropped lead" or "bad neutral" (some circuits are working but others are out, with no tripped circuit breakers or blown fuses). These conditions are caused by corrosion in the lines either at the telephone pole, or right before the line enters the house. If you experience partial power in your home (or brown-out conditions, call CenterPoint at 800-332-7143

If you have any suggestions for items to be included in the newsletter please email your ideas to Gerry Henderson ([ghenderson@veramark.com](mailto:ghenderson@veramark.com)) or John Sparks ([housparks@aol.com](mailto:housparks@aol.com))

## Welcome Joe!!

Please welcome Joe LeMaire as the new TI Maintenance and Security representative. Joe has a full schedule working for our community working six days a week with Wednesday's off. As you might guess by his name Joe is a Cajun. What might surprise you is that Joe was born in Brownsville and not the Bayous of Southern Louisiana. Joe is Married to Beth and he and Beth have a dog named Boots. When you see Joe or Beth make sure to say high and introduce yourself.

## Events Update

### 2013 Labor Day Fishing Tournament Report

The 2013 Labor Day Fishing Tournament/Fish Fry was a great success! We had 110 adult entries and 10 juniors. 350 people attended the fish fry and enjoyed a catered meal by Carlos Duran and music by DJ Rudy C. Many thanks to all of the Volunteers that made this event such a great success. Mike Cooper lined up the DJ and Caterer and emceed the live auction. Julie Duby arranged for the kiddie rides, and the extra tables, and chairs. Ginny Weyland organized the silent auction. Jim Barrett ran the slide show. John Sparks, and Gerry Henderson passed out trophies. Numerous other volunteers helped with selling t-shirts, set up, and clean up. And special thanks to the many residents who gave extremely generous donations for the silent, and live auctions.

### A 70s Christmas Party

Keep your calendar open on the 7th of December for the first TI 70's Christmas Party. More info will follow by email. Hope to see you in your 70's best.

## Deed Restrictions

The deed restrictions committee (DRC) has been active in ensuring that we are able to enforce our deed restrictions and enhance the desirability of Treasure Island as a place to live and own property. Treasure Island owners brought four valid deed restrictions violations to the DRC. As a result, one property has been voluntarily demolished by the owners, and two others are undergoing repairs. Everyone should have received the notification that the current, correct and complete deed restrictions are available on the Treasure Island Web site. If you have further questions, or concerns about a property in Treasure Island, please contact the DRC at [slprccadrc1@gmail.com](mailto:slprccadrc1@gmail.com)
